

## Summer work (Vinnuskólinn) in Vestmannaeyjar 2019

Dear teenagers, parents and / or guardians of youth born in 2003, 2004 and 2005.

Summer work (Vinnuskóli) in Vestmannaeyjar takes place in the summer months, from June to August. All teenagers from grades 8, 9 and 10 of primary school with permanent residence in Vestmannaeyjar have the right to participate in summer work. Youth is divided into groups and each group has its superior, it is planned that the work would be as diverse as possible, however, as in previous years, we mainly deal with gardening and general care of the city, which is our main goal.

In most cases, summer work is one of the first youth contacts with paid work, which is why a good approach to it is important. It is also important that the conversations at home and the public discussion about summer work are positive. It is good to, among other things, keep in mind that Vinnuskóli employees are entitled to breakfast and lunch breaks. However, since they have no designated place or lunchroom, it is normal that you can see how they sit and rest from time to time.

The work period is different for each year:

- Class of 2005, 25 working days, 24 hours a week. Work between 9-12 and 13-16 from Monday to Friday, you can work half a day if someone prefers. You can choose a maximum of 5 weeks from those weeks that are available.
- Class of 2004, 30 business days, 30 hours per week. Work between 9-12 and 13-16 from Monday to Friday. You can choose a maximum of 6 weeks from those that are available.
- Class of 2003, 35 business days, 30 hours per week. Work between 9-12 and 13-16 from Monday to Friday. You can choose a maximum of 7 weeks from those that are available.

We will try to adapt the applications to selected periods **as much as possible. It is important to send applications by May 10. The above information is based on the fact that a person holding the position of superior will be found, the plan may change due to this.**

An application is attached, which can be submitted to the Rauðagerði (entrance from the south side), to bæjarskrifstofur office on the second floor above landsbankinn or send an e-mail to the address [ernag@vestmannaeyjar.is](mailto:ernag@vestmannaeyjar.is), or in Polish to [klaudia@vestmannaeyjar.is](mailto:klaudia@vestmannaeyjar.is) with all information.

### Wage

- Youth born 2005 690 kr. With orlof
- Youth born 2004 805 kr. With orlof
- Youth born 2003 973 kr. With orlof

Persons born in 2003 must provide information on the use of a tax credit (persónuafsláttur). Salaries are paid on the first business day of each month and they are transferred to a bank account and the pay-off period is from 11 each month to the next 10. Superiors will contact young people and / or carers before starting work and inform you where to go.

The aim of summer work is to prepare young people for work before they reach the general labor market. Vinnuskólinn, however, is not only a job, but also various variations take place, as is the case at school.
